

Scottish higher education around the world

Audit of higher education in Scottish universities

This supplement accompanies the main report [Audit of higher education in Scottish universities](#) . Scottish universities are increasingly delivering higher education in other countries, either through their own overseas campuses, in partnership with overseas organisations or through distance learning. This supplement describes examples of the locations and types of higher education delivered around the world by Scottish universities.

University	Examples of Scottish higher education around the world
The University of Aberdeen	<p>Hadong County, South Korea</p> <p>The University is in very advanced negotiations to conclude an agreement to open a campus in Hadong County, South Korea, with student intake in 2017. The initiative is in partnership with a local institution as well as central and local government. The campus will see the delivery of, initially, programmes in engineering and energy management and will offer opportunities for research and connections with industry, as well as student recruitment.</p>
Edinburgh Napier University	<p>Hong Kong</p> <p>Edinburgh Napier is the largest UK provider of education in Hong Kong, with more than 3,000 students enrolled every year. Edinburgh Napier partners with Hong Kong University and City University of Hong Kong to deliver their programmes.</p> <p>India</p> <p>Edinburgh Napier offers a Bachelor of Engineering and Computing at the International Institute of Information Technology in Kolkata (Calcutta) in India.</p>
The University of Dundee	<p>Kenya</p> <p>The University of Dundee's distance learning centre (Nursing and Palliative Care) provides a Bachelor of Nursing and a Masters of Nursing programme by distance learning, in partnership with the Kenya Medical Training College.</p>
The University of Glasgow	<p>Tianjin, China</p> <p>The University of Glasgow-Nankai University Joint Graduate School opened in 2015. The dual Masters qualifications on offer include Environmental Management, International Relations, and Urban and Regional Planning.</p>

University	Examples of Scottish higher education around the world
