

Pensions

Requirements

- Data submitted should meet this data specification i.e. include all field names.
- Data should only be submitted via the Data File Upload (DFU) facility. This is the only acceptable method to supply data. If another submission method is used our policy is to inform the Senior Responsible Officer/Director of Finance that data has been put at risk unnecessarily.
- Where data is being submitted for pension widow(er)s then you should ensure the widow(er)s name, date of birth and National Insurance Number is submitted and not that of the original pensioner.
- To ensure that the submission of data using the DFU facility is as straightforward as possible data should be uploaded in three separate files:
 1. Current pensioners i.e. those currently in receipt of a pension;
 2. **If applicable** - Pensioners currently in receipt of a pension gratuity; and
 3. **Optional** - Deferred pensioners **not** currently in payment. Please note any pensions currently in payment should be included in your 'Current pensioners' file.
